Program Details

The RISE Program is an achievable four-month intensive career and leadership training program with a focus on personal coaching.

The program aims to empower women to take their careers into their own hands. It teaches participants invaluable skills and strategies so they can continue managing and progressing their careers beyond the program.

This program is designed for both current and aspiring women leaders, across all industries and business functions. Typically, you'll be aged 30-45 years with a strong focus on accelerating your career. You are looking for the chance to build on critical skills in order to grow and navigate the challenges and gender biases facing female leaders.

The program will drive real results by putting in place a personalised career plan to take you where you want to go. You'll be working directly with some of the top women in Australian business (former directors) to identify your strengths and areas for improvement.

This is a unique career program. It is an open conversation and tailored to your specific challenges. Depending on your individual needs, you will learn the following:

- **How to communicate powerfully** and overcome any fear of speaking up.
- **The right ways to build relationships** with mentors and sponsors.
- **How to get strong support** from your manager and stakeholders
- **Ways to initiate** and manage difficult conversations.
- **How to excel at work** without sacrificing a full home life.

PROGRAM FORMAT

RISE is a lot more than a development program. It's inspirational and will change the way you see your career and what you're capable of achieving.

Through a combination of group workshops, an inspiring guest speaker, exercises and in-depth individual coaching sessions with an expert career coach, you'll gain the knowledge, skills and motivation to overcome your challenges and step up in your career with confidence.

You'll also create a network of incredible, like-minded women who you can confide in and rely on in the months and years to come.

At the end of the program, you'll walk away with a clear plan outlining the practical steps you need to take to reach your career goals.

The group workshop sets the agenda and goals for the program. We discuss what you'll achieve over the four-month program, as well as the key tools to ensure success. The workshop is full of tools and practical information to excite and inspire your career possibilities.

The two individual coaching sessions are designed to help identify your unique strengths and areas for improvement. You will be paired with an experienced coach to help you articulate your goals and develop a plan for your career advancement. The coaching is what sets RISE apart from other career programs. For many participants, it's their absolute favourite part.

Additional group sessions where you'll come together to hear from an accomplished guest speaker, learn new career tools and work with other participants to discuss key learnings and takeaways.

Career development/growth plan you'll leave the program with a physical plan to guide your advancement for right now, as well as the year ahead. This document drives real results, giving you a firm plan of attack to reach your goals and win your next promotion.

"I can't recommend this program enough. There is so much unwritten, unspoken, unsaid, that you really need to know and sometimes, you won't get it from the people you work with or your friends or family. You also need to ask the right questions to solicit the right feedback. This course made a dynamic change to my outlook professionally and personally and I'd highly recommend to anyone looking for career advancement or to just break out of the rut and learn how to approach things differently."

Frequently Asked Questions

ABOUT THE PROGRAM

HOW IS THIS PROGRAM DIFFERENT TO OTHER CAREER PROGRAMS?

This program is designed specifically for talented women who value their career. It deals only with the challenges that women face in the workplace when striving for their next promotion, finding sponsorship, improving senior stakeholder management, or simply making their value more visible. Unlike other courses, we won't leave you to go it alone. You'll get supportive coaching so you can ask all your questions and get tailored advice, with individual recommendations provided at the two private coaching sessions.

WHO ARE THE GUEST SPEAKERS?

The program format includes a highly successful guest speaker. The speaker is a seasoned female senior executive, who is either leading a division or entire organisation. They are passionate about helping women advance and want to inspire you to be your best. They share insights, personal experiences, war stories and incredible tips that will all contribute to your success.

WHAT HAPPENS IN THE COACHING SESSIONS? DO I NEED TO PREPARE ANYTHING?

Ahead of your first coaching session, there's a comprehensive career questionnaire (that we ask you to fill out honestly). In the sessions we'll work through the answers and build an understanding of your career strengths and weaknesses, as well as building a foundation for your career plan.

WHAT IS THE COMMITMENT OUTSIDE THE WORKSHOP COACHING SESSIONS?

Through the program you may be expected to do 90 minutes of 'extension' work each month. This work will benefit your current job and will typically involve research and speaking to others in your organisation.

WHO RUNS THIS PROGRAM?

The program is designed and facilitated by Gillian Fox. Gillian is an accomplished female leader and has worked as a senior executive at both News Corp and

Pacific Magazines, where she managed over 100 employees.

HOW OFTEN DOES THE PROGRAM RUN?

The RISE Program currently runs three times per year. We run RISE as a small group to give you a high level of personal attention, so there are limited spots available. You can enrol or join the waitlist now, so you don't miss out on the next program. It's time to go all in and create the career you've always wanted.

WHERE IS THE PROGRAM HELD?

The first workshop is a hybrid event. Participants have the choice of attending in person at a Sydney CBD venue or remotely. We find most people choose to attend in person. Our technology and workshop approach ensures an inclusive experience for everyone. The executive coaching and other group sessions will be delivered remotely.

HOW MANY PEOPLE ATTEND THE PROGRAM?

While many public courses have hundreds of participants in a cohort, the RISE programs caps its participant numbers at 30 women in any course. This is so we can provide effective, and personal attention to every woman attending the program.

DO I GET TO PICK THE DATES FOR MY EXECUTIVE COACHING SESSIONS?

You will have the opportunity to select a session date within the specified coaching period.

HOW LONG ARE THE SESSIONS?

The group sessions are 3 hours in duration, while the individual executive coaching sessions are one hour each.

CAN I CONTINUE COACHING BEYOND THE PROGRAM?

If you get to the end of the program and feel you would benefit from additional one-one-coaching, please get in touch and we can design a personalised executive coaching program for you.
